Subject: First Quarter Report, January through March, 2015

To All Board Members and Donors:

First let me begin by saying how much your time, talent and treasure has meant to me in getting “The House of Onions” off the ground! Since requesting our 501(c)(3) filing in early 2014, we have raised just over \$15,000. While most of the early donations went to filing charges and attorneys' fees, we have just sent our first wire transfer of \$10,000 for initial construction costs and a vehicle to get Father YL to and from the home site from his three Parishes. The coming months will, hopefully, bring about the completion of the Home and the beginning of staffing for the several positions necessary to handle up to 30 homeless orphans, many with terminal illnesses.

Obviously, we are coming to the point where a steady flow of monies will be necessary to house, feed, and cloth the children and pay for ongoing salaries for required staff. Per our website, it is estimated that we will need \$3000 per month to operate. This is based on \$100 per child and a total of 30 children at any one time. Being the conservative individual that I am, \$5,000 would be preferred! Sharing our website ([www.houseofonions.org](http://www.houseofonions.org)) with friends, family and all interested parties could be a huge asset to us as we go forward. Your assistance in this matter will also be appreciated.

Plans are in place to get photos and expenses posted to the website as quickly as possible to show our growth and progress. There is also a tentative field trip for late October early November to visit with Father YL on his upcoming 25<sup>th</sup> Jubilee as well as observe the operations of the House of Onions. Should anyone be interested in joining me, please let me know as soon as possible. The cost of the trip is not covered by the foundation, but perhaps we can get a “group rate”. Would love to have a half dozen or so of us make the journey.

In summary, any and all questions are appreciated. I can be reached at:
